All in Favor

SARA Plans: Plans are currently up-to-date.

INCIDENT REVIEW: 10/14/10 - Gas Well leak

EPA CONFERENCE: All reported quality training and would encourage others to attend if possible. May be held in Pittsburgh in 2011.

TRAINING: HMEP GRANT – for training \$11,500.

There was some debate regarding the purchase of Delmar books for Hazmat classes. Region 13 may be purchasing some books so we would just need to supplement what they purchase.

Motion to purchase enough books required to provide the classes we are sponsoring.
