Lifetime dog licenses are valid for the life of your dog. Your dog must be either tattooed or microchipped for a permanent ID. If you wish to purchase a dog license, please follow these simple steps:

1. Complete and sign Dog License Application and mail along with check or money order.
2. **Tattoo** – If you want your dog tattooed, the Treasurers' office must issue the tattoo number **before** your dog can receive a tattoo from your veterinarian.
3. **Microchip** – Most veterinarians have the **Permanent Identification Verification** form that they complete when they implant the microchip. If your veterinarian does not have this form, you must obtain it from the County Treasurers Office and have it completed by the veterinarian.
4. If you have more than one dog, please print both forms included in this application and complete them for **each** pet.
5. If you wish to apply by mail, please complete and return the application, with the proper license fee. Make your check or money order payable to:
